## ABOUT CSI:

(<http://www.csi-india.org>)

Formed in 1965, the CSI has been instrumental in guiding the Indian IT industry down the right path since its formative years. The mission of the CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT professionals, while simultaneously inspiring new entrants into the industry and helping them to integrate into the IT community. The CSI is also working closely with other industry associations, government bodies and academia to ensure that the benefits of IT advancement ultimately percolate down to every single citizen of India.

## ABOUT GURU NANAK INSTITUTIONS:

(<http://www.gniindia.org>)

Guru Nanak Institutions is a portal of knowledge and higher learning. For the past 11 years, the group has been spreading the light of education in the lives of thousands of students.
