## ABOUT NBA

National Board of Accreditation is a constituent of All India Council of Technical Education (AICTE) the quality regulation arm of Human Resources and Higher Education Ministry of Government of India. It was constituted as an autonomous body under Section 10(u) of the AICTE Act, 1987.

### The proclaimed objectives of NBA are

- ★ To periodically conduct evaluation of technical institutions or programmes on the basis of guidelines, norms and standards specified by it and to make recommendation for recognition or de-recognition of the institution or programme.
- ★ To develop a quality-conscious system of Technical Education where excellence, relevance to market needs and participation by all stake holders are the major determinants
- ★ NBA is dedicated to building a technical education system, as vendors of human resources that will match the national goals of growth by competence, contribution to economy through competitiveness and compatibility to societal development.

## THEME OF THE WORKSHOP

The Workshop is intended to create awareness among the faculty members, principals and managements of various Engineering Colleges. This Workshop also facilitates knowledge about various programmes and activities provided by NBA.

Resource Persons will throw light on various aspects of the Accreditation manual and procedures during the two-day long Workshop on the New Criterion of NBA.

## TOPICS TO BE COVERED

Accreditation Procedures

- ❖ New NBA Formats

- ❖ Programme Educational Objectives (PEOS)
- ❖ Programme Out Comes and Assessment (POA)

## ABOUT GURU NANAK ENGINEERING COLLEGE (GNEC)

Guru Nanak Engineering College took birth in 2001 from a visionary's passion to provide quality technical education to the society. This College is affiliated to JNTU, Hyderabad and approved by AICTE. The philosophy of the founders of this College 'Quality is not an act, but a habit' has led to the accomplishment of NBA and NAAC accreditation within a very short span of time. This Institution relentlessly strives for academic excellence as well as a knowledge seeker's rounded development.

This college, with a robust, finely-crafted, and marvelous infrastructure is situated on a sprawling campus of more than 52 acres of land. Our scientific system of faculty selection and development has resulted in the finest team of well-qualified, experienced and dedicated teaching professionals. Today, GNEC is one of the premier engineering colleges with an aggregate intake of 1000 students for its various graduate and postgraduate courses including B.Tech., M.Tech., MBA and MCA.

## ABOUT GURU NANAK INSTITUTE OF TECHNOLOGY (GNIT)

Guru Nanak Institute of Technology is affiliated to JNTU, Hyderabad and approved by AICTE. The vision of GNIT is to contribute to the nation's Technological advancement by imparting towering quality engineering education to the students.

GNIT is committed to develop world class engineers, by integrating Technology into core engineering subjects. GNIT makes learning an end-to-end experience.
